

Our **Virtual Open House** will take place next week Monday, April 20, Tuesday, April 21 and Thursday, April 23. Below is a schedule of classes and teachers who are participating in the virtual open house. In order to be mindful of security concerns, we are asking that you contact the teachers if you are interested in visiting a class in order to obtain the access ID and to let them know that you will be attending the class.

Please feel free to contact any of the other teachers for more information about their classes.

Biology, Beth Bacon – contact her to request the link to Zoom recordings of her classes at bethbacon@gmail.com
